10 December 1959

MEMORANDUM TO: Chief, Materiel Branch, DPD

SUBJECT: Materiel Branch Memo dated 7 December 1959,  
Subject: P2V Program

1. The Operations Branch has this day prepared a complete study of the P2V program. This study, concerning proposed utilization of the presently available five P2V-7 aircraft, is being sent forward to Mr. Bissel's office for approval.

2. Operations desires to hold up decisions concerning distribution or disposal of items presently stocked at LAC. LAC has stated that the equipment now stored in Hangar #42 at Burbank is not in their way and can be left there for an indefinite period.

3. Upon receipt of approval for proposed P2V program, the Operations Requirement Section, in coordination with [ ] will recommend to the Materiel Branch distribution and/or disposal of reference equipment. It is anticipated that the P2V program will be fairly well stabilized on or about 18 December 1959.
